218th ANNUAL REPORT

CORNISH NEW HAMPSHIRE

Year Ending December 31, 1984

NOTICE

Please Read

To Dog Owners:

- All dogs over three months of age must be registered by May 1st.
- Legal rates: Males \$6.00, Females \$6.50, Neutered Males \$3.50, and Spayed Females \$3.50.
- Rabies Certificates required for registration.
- Failure to register makes owners liable for \$1.00 penalty **per month** after June 1st. It's the **LAW!**
- Owners are liable for free running dogs. If in doubt, check the state statutes RSA:466. The Penalties are severe.

To PROPERTY OWNERS:

- The law provides that those who do not return their inventory forms by April 15 not only lose their right to appeal their taxes **but are now subject to a fine of not less than \$10.00 but up to and not over \$50.00.**

To those REGISTERING VEHICLES:

- Resident Taxes must be paid in order to register a vehicle.
- In order for a husband to register a vehicle, he must pay both his and his wife's Resident Tax. **IT'S THE LAW!!**

To those BUILDING NEW OR MAKING CHANGES:

- The Town Building Code requires permits to construct or remodel any building. There are exceptions. Check first with the Selectmen.

Your cooperation in the above matters will save time and money for you — and cut costs of town government.

—The Selectmen

David Monette

SELECTMEN'S REPORT

1984 saw many individuals and oraganizations donating their time and services to their fellow townspeople.

As a result of a donation of land from Dwight and Ruth Wood, coupled with donations of time, talent, and funds by the Fire Department, Ladies Auxiliary of the Fire Department, and many others, the Town is the pround possessor of a new Fire Station. The building, located across Town House Road from the School, was dedicated in November 1984.

On the green in the Flat you will find several additions to the Town's War Memorials. Thanks to Cornish Grange #25 and other organizations and individuals, an Honor Roll for Korean and Vietnam veterans, as well as a memorial to all veterans, have been erected. Special thanks go to Mrs. Katherine F. MacLeay for her donation to this work, in memory of Emma Tewksbury Fitch.

The contracted repairs and additions for the Town Hall and Selectmen's Office have been completed. In addition, thanks are due to Tim and Rita Bannister for the upkeep of the Selectmen's Office and Library grounds, and to Albert and Jeanne Garrow for the window boxes they installed at the office. As a result of Hollis Boardman's efforts, the area around the Town Hall was kept ship shape through the growing season. You may have noticed that Hollis has not filed for Sexton. He has held this office for many years, doing a splendid job of caring for the Town's Cemeteries. Many thanks from all of us!

The Davidson property has been purchased, thanks to donations by the Cornish Fair, the owners, money from the Conservation Commission, and Federal matching funds. Thanks to an anonymous donation of \$10,000. and to Margery Trumbull who donated \$10,000. to establish the Rodney A. Palmer Fund in memory of her brother, the Town has monies to draw on to create and implement plans for the use of this land. This planning process is in the hands of the CREA (Cornish Recreation and Education Area) Committee whose report is included. This committee is composed of members from the Conservation Commission, Board of Selectmen, and Planning Board.

Early summer saw the Town taking possession of the new loader. The acquisition of the loader was aided by the Equipment Purchasing Committee which was created to assist the Selectmen with major purchases. Their report is included.

Last fall found various Town officers responding to an hazardous waste disposal problem at the Fuller Barn. The material was identified, contained, repacked, and we are in the process of finding a licensed hazardous waste handling company to remove it.

The Highway Block Grant monies received were expended on The Blacksmith Shop Bridge, Platt Road, Squag City Road, Center Road, and on the driveway and parking area at the new Fire Station.

The Planning Board, Z.B.A., and a diverse assortment of interested people are in the process of updating the Town's Master Plan. Both the Planning Board and Zoning Board of Adjustment reports address this subject.

A Special Town Meeting was held in September to address the solid waste disposal problem. The minutes of that meeting and reports from our solid waste representatives deal with this subject.

The Selectmen extend their thanks to Bernice Johnson, Jeannie Garrow, and Mary Decatur for their help in putting together this year's Town Report.

Michael M. Yatsevitch
J. Cheston M. Newbold
David Monette
Selectmen

WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Cornish, in the County of Sullivan, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Cornish on Tuesday, the 12th of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

Article 1 of the Warrant will be acted upon at 10:00 a.m. Voting will be by official ballot and checklist, and the polls will be open for this purpose and will remain open from 10:00 a.m. until 7:00 p.m. at which time the polls will close. At 12:00 Noon the business portion of the meeting shall act upon Articles 2 through 31.

ARTICLE 1: To choose all necessary Town officers for the ensuing year.

Article 2: To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

(z4) Transfer to New Highway Equipment Capital Res. Fd.	15,000.00
(z5) Transfer to Fire Department Capital Res. Fd.	10,000.00
(z6) Transfer to Conservation Commission Fund	1,000.00
(z7) Transfer to Police Law Enforcement Vehicle Capital Reserve Fund	2,000.00
(z8) County Tax	Necessary Amount
TOTAL:	<hr/> \$190,140.55

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of \$169,403.00, this sum to be composed of \$114,872.00 to be raised by taxes for the maintenance of Class V Highways and Bridges and the balance of \$54,531.00 to be received from the State as Highway Block Grant money and to be spent on special maintenance projects for Class V Highways and Bridges.

ARTICLE 4: To see if the Town will vote to raise and appropriate up to the sum of \$35,000.00 for the purchase of a new truck cab and chassis with dump body and snow equipment to replace the present Mack truck; To authorize the Selectmen to either sell outright, or trade the present Mack truck, to offset a portion of the purchase price of the new truck and snow equipment; The remainder of the purchase price to be raised by the issuance of bonds or notes under and in compliance with the provisions of the Municipal Finance Act (NHRSA 33:1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Cornish, for a term not to exceed the useful life of the equipment. By paper ballot; 2/3 vote of those present and voting is required to pass this article.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of \$2,500.00 and authorize its withdrawal from the Revenue Sharing Fund under provisions of the State and Local Fiscal Assistance Act of 1972 as amended by the Second Session of the 94th Congress, for the purchase and installation of radio communication equipment for the Highway Department.

ARTICLE 6: By petition. Shall the Town of Cornish accept the provisions of RSA 53-B: 1 to 11 inclusive, providing for the establishment of a Regional Refuse Disposal District, together with the Towns of Acworth, Croydon, Goshen, Grantham, Langdon, Lempster, New London, Newport, Plainfield, Sunapee, and the City of Claremont, and the construction, maintenance and operation of a Regional Disposal Facility by said District in accordance with the provisions of the agreement filed with the Selectmen?

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$2,082.00 to cover the Town's commitment, should it vote to rejoin, the N.H./Vt. Solid Waste Project.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to defray the cost of using the Claremont landfill for 1985.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$16,000.00 to defray the cost of using the Lebanon landfill for 1985.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$200.00 to help defray the costs of a Household Hazardous Waste Collection Day to be sponsored by the Upper Valley Solid Waste District.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$4,572.50 to assure ambulance service by Golden Cross Ambulance and Windsor Ambulance for the year 1985.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$3,450.00 to assure ambulance service by Golden Cross Ambulance for the year 1985.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$12,217.28 to purchase a new Police cruiser, and to authorize the Selectmen to withdraw \$9,517.74 for this purpose from the Police Law Enforcement Vehicle Capital Reserve Fund.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of \$2,500.00 and to authorize its withdrawal from the Revenue Sharing Fund under provisions of the State and Local Fiscal Assistance Act of 1972 as amended by the 2nd Session of the 94th Congress, to construct handicapped access ramps for the Town Clerk's office.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of \$975.00 and authorize its withdrawal from the Revenue Sharing Fund under provisions of the State and Local Fiscal Assistance Act of 1972 as amended by the Second Session of the 94th Congress, to pay for the removal of trees at the Cornish Flat Cemetery.

ARTICLE 16: To see if the Town will raise and appropriate \$13,000.00 and authorize its withdrawal from the Revenue Sharing Fund under provision of the State and Local Fiscal Assistance Act of 1972 as amended by the Second Session of the 94th Congress to make the 1985 principle payment on the note due on the Gallion Grader.

ARTICLE 17: To see if the Town will vote to raise and appropriate \$600.00 to support a survey of the Town's water resources by the Water Resources Action Project.

ARTICLE 18: By request. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for the purchase of fifteen pagers for the Fire Department.

ARTICLE 19: By request. To see if the Town will vote to raise and appropriate \$250.00 to cover the cost of the Town's share of Sullivan County Hospice for 1985.

ARTICLE 20: To see if the Town will vote to have the appraisal division of the Department of Revenue Administration conduct a complete revaluation starting in 1989 or thereafter; to establish a Capital Reserve Fund for the purpose of conducting such revaluation and to appoint the Selectmen as agents to administer the fund.

ARTICLE 21: To see if the Town will vote to raise and appropriate \$6,000.00 to be placed in the Capital Reserve Fund for the revaluation of the Town by the Appraisal Division of the department of Revenue Administration.

ARTICLE 22: To see if the Town will vote to create a committee, appointed by the Moderator, including but not limited to a member of the Recreation Committee, Planning Board, Conservation Commission, Rescue Squad, and the Fire Department to study and make recommendation concerning the problems of liability and compliance with state and federal safety requirements at the School Street swimming area; the committee to examine these issues and any others that are pertinent and to report back to the Selectmen by May 15, 1985.

ARTICLE 23: To see what sum of money the Town will vote to raise and appropriate to defray the state mandated costs connected with this swimming area.

ARTICLE 24: To see if the Town wishes to exclude from the plan service in any class or classes of positions of election officials or election workers for a calendar year in which the remuneration paid for service is less than \$100.00. (This means that any appointed town election official who earned less than \$100.00 during the town's fiscal year would not have Social Security withheld from his/her earnings.)

ARTICLE 25: To see if the Town will vote to authorize the Selectmen to make application for and to accept and expend pursuant to RSA 31:95-b any and all grants or other funds for general town purposes, including but not limited to disaster relief or CETA, in excess of the money appropriated by the Town which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

ARTICLE 26: To see if the Town will vote to authorize the Selectmen to accept and expend pursuant to RSA 31:95-b, any and all gifts or other funds received from miscellaneous sources, as the Selectmen shall determine to be advisable.

ARTICLE 27: To see if the Town will vote to authorize the Selectmen to sell or otherwise administer property acquired by Tax deed.

ARTICLE 28: To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 29: To hear the reports of Officers, Agents, Auditors and Committees heretofore chosen, and pass any vote in relation thereto.

ARTICLE 30: To transact any other business that may legally come before this meeting.

ARTICLE 31: To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to defray the cost of septage disposal for the year 1985.

CORNISH TOWN MEETING MARCH 13, 1984

The two Selectmen present (Myron E. Quimby being ill at home) signed the back of the Warrant; the Supervisors of the Check List swore to the Town Clerk that all names on the Check Lists were those only of legally registered voters of Cornish.

Peter Burling announced that it was 10:00 a.m. and that a quorum being present, he opened the polls and proceeded to read the Warrant in its entirety. Ballot Clerks had assisted the Town Clerk in posting all legally necessary election laws, rules for voting, and sample ballots around the Town Hall, and had counted the ballots.

(Park Grange members served delicious lunch and supper, at \$3.00 each).

Moderator Peter H. Burling swore in Merrilynn Chilton as Assistant Moderator for the day.

Article 1: To choose all necessary Town Officers for the ensuing year: Results of the voting --

For Selectman for three years: Frank N. Ackerman had 43 votes; Hollis J. Boardman - 35; William E. Gallagher - 133; Myron A. Kuhre - 31; and David J. Monette - 136 votes. Write-ins included Charles Aiken - 1; Stan Colby - 1; Harold Morse - 1; Bunny Barker - 1; Paul Duval - 1; and Sally Wellborn - 1. Thus by three votes only, David J. Monette was declared to be Selectman for the next three years, and was elected.

For Treasurer for one year: Mary J. Garrow received 365 votes; Mr. Maslan - 1, Caroline Storrs - 1, Jeanne Duval - 1, and Charles Aiken - 1. Mary J. Garrow was declared Treasurer and reelected to office.

For Moderator for two years: Peter Hoe Burling had 371 votes; Fred Sullivan - 4, Charles Aiken - 1, Frank Ackerman - 1, Jim Fitch - 1, Paul Tewksbury - 1, and John Rock - 1. Peter H. Burling was elected for the next two years.

For Tax Collector for one year: Carol F. Fitch received 377 votes and was reelected to office.

For Auditor for two years: Myron A. Kuhre filed and received 340 votes; write-ins - Michael Yatsevitch V - 1, David Monette - 1, Mary Thibodeau - 8, Jeff Baillargeon - 5, Keith Beardsley - 1, Charles Aiken - 2, Steven Monette - 1, Bruce Tracy - 1, Caroline Storrs - 1, Polly Monette - 1, Richard Akerman - 1, and Mr. Maslan - 1. Myron A. Kuhre was elected (but he had filed the year previously and been elected for a two-year term!).

For Supervisor of the Check List for six years: Leland E. Atwood received 368 votes; Polly Monette - 1. Leland E. Atwood was elected for a six year term.

For Trustee of Trust Funds for three years: Barbara Rawson received 354 votes; David Monette - 1, Jeanne Duval - 2, Jeff Baillargeon - 1, Ruth Rollins - 1, Lawrence Hilliard - 1, Mary Garrow - 1, and Frank Ackerman - 1. Barbara Rawson was elected for a three-year term.

For Trustee of George H. Stowell Library for three years: Phyllis M. Hemphill received 357 votes: Susan VanRensselaer - 2, Bobby Thrall - 2, John Dryfhout - 1, Nancy Wightman - 1, and Connie Dean - 1. Phyllis M. Hemphill was elected to office for three-year term.

For Overseer of Public Welfare for one year: Peter C. Storrs received 359 votes, Hollis Boardman - 1, Bill Tracy - 1, Marion Boardman - 1, Charles Aiken - 1, Philip Rock - 1, Teenee Rock - 1, and John Hammond - 1. Peter C. Storrs was elected for another year's term.

For Highway Agent for one year: Harold A. Morse received 325 votes; William Monette - 4, Jim Fitch - 7, Brian Benware - 2, Nate Cass - 13, Stanley Woodward - 1, John Rawson - 2, Gerald Baillargeon - 2, Peter Monette - 1, Myron Kuhre - 2, Robin Johnson - 1, Hollis Boardman - 1, Thomas Spaulding - 1, Polly Rand - 1, and Fred Sullivan - 1. Harold A. Morse was reelected.

For Sexton for one year: Hollis J. Boardman received 361 votes; David Monette - 1, Joseph Monette - 1, Alonzo Spaulding - 1, and Nat Cass - 1. Hollis J. Boardman was reelected for one year.

Moderator Burling opened the afternoon business session at 1:00 p.m. with everyone rising to salute the flag; then followed a moment of silent prayer. Michael Yatsevitch requested the opportunity to speak about his colleague, Myron Quimby, as follows:

"Mr. Moderator: At 82 years of age, having served 22 years as Selectman, Myron Quimby has decided not to file again for that office. Of those 22 years, I have worked with Myron for about 16, and I can say that if there are still people who can be as dedicated to the interests of the Town and as conscientious in carrying out their duties, the Town system of government is secure. I suggest that this assembly recognize Myron's long term of service to the Town of Cornish." Everyone in the hall stood and clapped to honor Myron Quimby.

Peter Burling then said he was very sorry Myron had the flu and was unable to be present, as he had written up a Resolution that he wished to read. He proceeded to read it: "**Whereas;** For more than twenty-two years the Town of Cornish has benefited from your counsel and leadership; and **Whereas;** You have served as Selectman with devotion to the highest standards, dedication, and above all, goodwill; and **Wheres:** You have met our Town's needs with profound wisdom and great prudence. **Now, Therefore,** we the Citizens of Cornish, in Town Meeting gathered, do hereby express our thanks and best wishes to you Myron E. Quimby for a job expertly done." Peter said this resolution will be nicely written in calligraphy and framed before presenting it to Mr. Quimby. Motion was made and duly supported to accept this resolution, and it was a unanimous standing vote by all present, with everyone clapping again.

Article 2: To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

(a) Town Officers' Salaries - \$14,000. Peter Storrs moved we raise and appropriate \$14,000. for Town officers' salaries, supported by Ed Lawrence, and without discussion voted on in the affirmative.

(b) Town Officers' Expenses - \$14,000. E. Leonard Barker (or Bunny Barker) moved, seconded by Jim Lukash, that we raise and appropriate \$14,000. for

Town officers' expenses. After a short discussion relative to the \$2,000. increase over last year in which Michael Yatsevitch explained the Town voted in a Secretary and Bookkeeper for the Selectman last year, and this year it will be for a full year and more is known about the number of hours that these jobs will need. A vote was taken, in the affirmative.

(c) Election and Registration - \$2,500. David Wood moved, Helen Lovell seconded, that we raise and appropriate \$2,500. for the four elections we will have this year, and it was voted by all in the affirmative.

(d) Expenses of Town Hall and Other Buildings - \$22,594. Christopher Probst moved, Michael Yatsevitch seconded, that we raise and appropriate \$22,594. for the expenses of our Town Hall and other buildings. Cheston Newbold amended the amount to \$20,300., and explained what the money was needed for. Harold Morse, Nate Cass, and others discussed the cost of fixing the garage floors. Fred Sullivan spoke in opposition to amend. Sue Chandler spoke against, as did Bob Bayliss. Vote was finally called on the amendment, which Michael Yatsevitch had seconded, and the vote was declared to be in the affirmative. Then the main motion, as amended, was voted on, in favor.

(e) Reappraisal of property - \$1,800. Fred Sullivan moved, Helen Lovell seconded, that we raise and appropriate \$1,800. for reappraisal and this was voted by the Town.

(f) Town Officials' Insurance - \$600. George Aldrich moved, Jill Edson supported, that we raise and appropriate \$600. for insurance on our Town Officials, and the vote was in the affirmative.

(g) Police Department - \$10,700. Upon motion by Sharon Atwood, supported by Bob Alves, to raise and appropriate \$10,700. for use by the Police Department, James Lukash gave a short account of the cases this past year. Fred Sullivan asked if Civil Defense money was not available to help out some of our departments, such as the police, and could we not get used furniture, etc. from Concord by putting our name down there. Further discussion was held, and the Town finally voted in favor of the motion.

(h) Fire Department - \$16,125. E. Leonard Barker moved, Gary Chilton seconded, a motion to raise and appropriate \$16,125. for the Fire Department. Scott Kearns was asked to explain the amount - body work needed on the trucks, increase in the insurance coverage, etc. He said that fire trucks cost a lot more than regular trucks. Discussion held on Claremont Dispatch and Mutual Aid, and the motion was voted in the affirmative.

(i) Rescue Squad - \$1,500. Dale Rook moved, Bob Bayliss seconded, that we raise and appropriate \$1,500. for the Rescue Squad. Gary Chilton spoke up in favor, and Carol Fitch said "Thank you" was the only remark that could possibly be made by her. By vote of the Town the motion was passed in favor.

(j) Planning Board - \$300. On motion by Stan Colby seconded by Bob Ballard, the Town voted to raise and appropriate \$300. for our Planning Board.

(k) Zoning Board of Adjustment - \$100. On motion of David Wood supported by Stan Colby, the Town voted to raise and appropriate \$100. for the Zoning Board of Adjustment.

(l) Animal Control - \$100. Jim Lukash moved, Ruth Rollins supported, that Cornish raise and appropriate \$100. for Animal Control. After George Aldrich's inquiry as to why the dog license fees did not cover the cost of Animal Control, and it was explained that dog tags and license blanks have to be purchased each year before the fees can be collected, the Town voted on the motion in favor.

(m) Insurance (Workman's Compensation - \$6,350. Stan Colby moved, Dave Wood seconded, that we raise and appropriate \$6,350. for the cost of this insurance, and this was voted in the affirmative.

(n) Civil Defense - \$100. Larry Dingee moved, Helen Lovell supported, that we raise and appropriate \$100. for Civil Defense. The question was asked if Lyle Patterson ever took advantage of any used furniture that was available in Concord. Mr. Yatsevitch stated that the Selectmen had tried on several occasions to procure some, but every time they found out the schools get first-chance at any available. The motion was brought to a vote, in the affirmative.

(o) Conservation Commission - \$350. Upon motion by David Wood supported by Dorothy Fuss, the Town voted, with no discussion, that we raise and appropriate \$350. for Conservation Commission.

(p) Unemployment Insurance - \$600. Cheston Newbold changed the amount and moved that the Town raise and appropriate \$3,600. for our Unemployment Insurance and Blue-Cross Blue-Shield Insurance as one item, supported by Jim Lukash. Jim Fitch said it was not a true figure as the highway employees pay 40% of the Blue-Cross Blue-Shield. Bob Maslan said it should be included in the line items each year. It was voted on by the Town in the affirmative.

(q) Health Department - \$100. Dave Wood and Polly Rand moved and supported that we raise and appropriate \$100. for the Health Department, and it was so voted by the Town.

(r) Vital Statistics - \$100. Ruth Rollins moved, Barbara LeMere seconded, that we raise and appropriate \$100. for Vital Statistics. Upon vote, it was found to be in the affirmative.

(s) Wheels Around Windsor - \$700. Christopher Probst moved, Ricky Poor seconded, that we raise and appropriate \$700. for Wheels Around Windsor. This was voted on, in the affirmative.

(t) Visiting Nurse - \$1,200. Charles Aiken moved, Jim Lukash seconded, that we raise and appropriate \$1,200. for Visiting Nurse, and this was passed by vote of the Town.

(u) Street Lighting - \$110. Fred Sullivan moved, Sharon Atwood seconded, that we raise and appropriate \$110. for Street Lighting. Fred then said it would be more sensible to just include this in item relative to Town Hall and Other Buildings. Michael Yatsevitch agreed, as there is but one street light. Motion voted on, in favor.

(v) Library - \$4,375.36. E. Leonard Barker moved, Ellen Ballard seconded, motion to raise and appropriate \$4,375.36 for the George H. Stowell Public Library. Phyllis Hemphill, Trustee, pointed out where the reports are in the Town Report. \$4,375.36 was voted, by vote.

(w) Public Welfare - \$4,500. Fred Sullivan moved, Tim Schad seconded, that the Town raise and appropriate \$4,500. for public welfare. This was voted on, in the affirmative.

(x) Memorial Day - \$300. Jim Lukash and Sharon Atwood moved and seconded that we raise and appropriate \$300. for use by the Memorial Day Committee. In answer to a question, a lot of these monies have to go for buying flags for the service people's gravestones. Motion was so voted.

(y) Cemeteries - \$6,000. Ruth Rollins moved, Charles Aiken supported, that we raise and appropriate \$6,000. for our Cemeteries. Hollis Boardman, Sexton, stood to explain the reasons for the increase. Among these was the fact that he has used a lot of his own equipment before, and some of it has broken and has to be replaced; also a raise in pay for his helpers. The motion was voted on, in the affirmative.

(z) Damages and Legal Expense - \$3,000. Dale Rook moved, David Wood seconded, that we raise and appropriate \$3,000. for any legal expenses in 1984. After a short discussion, it was voted in the affirmative.

(z1) Employees' Retirement and Social Security - \$9,000. \$9,000. was voted by the townspeople, to be raised and appropriated, upon motion of David Wood, seconded by Stan Colby.

(z2) Principal, Long-term Notes - \$13,000. Bob Ballard moved, Bunny Barker supported, that we raise and appropriate \$13,000. for Principal of Long-term Notes, and it was so voted.

(z3) Interest, Long-term Notes - \$3,217.50. Stan Colby moved, John Dryfhout seconded, that we raise and appropriate \$3,217.50 for interest on our Long-term notes. This was voted in the affirmative.

(z4) Interest on Temporary Loans - \$18,000. Ehrhard Frost moved, Bob Ballard Supported, that we raise and appropriate \$18,000. for interest on temporary loans. A number of questions were asked. Ellen Ballard spoke up, to answer some questions asked by Shubael Butterfield. After a lengthy discussion, the motion was passed by vote.

(z5) Transfer to New Highway Equipment Capital Reserve Fund - \$7,000. Charles Aiken moved, Helen Lovell seconded, that we raise and appropriate \$7,000. for the purpose of increasing the Fund for new highway equipment. Fred Sullivan said we put money into the Trust Fund, then take it right out -- and this does not build up the Trust Fund. Several other comments were made, and then it was voted on, in the affirmative.

(z6) Transfer to Fire Department Capital Reserve Fund - \$10,000. Scott Kearns moved, Charles Aiken seconded, that we raise and appropriate \$10,000. for the Fire Department Capital Reserve Fund. A discussion followed as to why this large amount. Jim Lukash and John Dryfhout both spoke. Scott explained the need for a lot of the money. It was finally voted on, in the affirmative.

At this time Peter Burling asked to make a suggestion. He thought it would be appropriate to form a Capital Equipment Purchasing Committee. Ellen Ballard so moved, and Peter Storrs supported. It was suggested the committee have five members, of Cornish citizens, including one of the Selectmen and one from the

Finance Committee, to be appointed by the Moderator. This motion was voted in favor by all.

(z7) Transfer to Conservation Commission Capital Reserve Fund - \$1,000. Bunny Barker moved, Ricky Poor supported, that we raise and appropriate \$1,000. to the Conservation Commission Capital Reserve Fund. This was so voted.

(z8) Transfer to Police Law Enforcement Vehicle Capital Reserve Fund - \$2,000. Larry Dingee moved, Scott Kearns seconded, that we raise and transfer to this Capital Reserve Fund the sum of \$2,000. Ed Lawrence amended their motion to \$4,000., duly seconded, and voted in favor. Then the main motion was voted in the affirmative. A question was asked if we were properly warned to buy a police vehicle this year. It was decided we were not, as such was not on our warrant. The statement was made that the Federal government requests that we have proper warning on any article that uses Revenue Sharing money, such as on the new bucket loader; but that did not pertain to this, really. Prue Dennis and Shubael Butterfield moved to reconsider the \$4,000. This was voted in the negative. Polly Rand said the sense of the meeting was certainly in favor of buying a cruiser for the use of our constables. Thus we add \$4,000. to the Reserve Fund, and buy a new cruiser next year.

(z9) NH-VT Solid Waste Commitment - \$1,596.00. Charles Aiken moved, Mike Newbold supported, that we raise and appropriate \$1,596. for our commitment to the NH-VT Solid Waste. Quite a lengthy discussion followed, with questions by Fred Weld, Don MacLeay, Chris Probst, etc. The motion was finally voted, in the affirmative.

(z10) Mike Yatsevitch moved, Clara Weld supported, that we raise and appropriate the necessary amount for County Tax. It was stated that this would be a lot higher than the past year. Motion voted in favor.

At this time, Moderator Burling recognized E. Leonard Barker, who came forward and spoke as follows: "The Cornish Conservation Commission Award honors an individual or organization that has shown outstanding conservation practices within Cornish. These might be evident in one or more of the following areas: - the improvement or preservation of agricultural lands; open space or wetlands; the intelligent management of forest resources; the practical application of energy conservation technologies, or the promotion of well planned community environmental projects.

"The Conservation award for 1984 is presented to an outstanding farming couple who throughout the years has been active and effective stewards of their land. The continuous improvement at their farm has been Shirley and Fred Sullivan's major and first priority. Their motto could well be expressed - 'if a project is worth doing, it must be done right'.

"Allow me please to list just a few of their accomplishments they have done: strip cropping; surface and sub-surface draining; stream channel improvement; wild life hedge rows; brush control; diversion ditches; woodland access roads; land clearing; and one could go on and on.

"In 1964 Shirley and Fred were honored by being the district's outstanding cooperators. Fred is a former vice-chariman, while serving on the Board of

Supervisors and is presently serving as chairman of the County ASC Committee. Fred has also taken time to serve the Town of Cornish on numerous committees and as a former Selectman. The Conservation Commission is proud to honor you, Shirley and Fred, with this small but very meaningful plaque. Will you both please come forward to receive it." Shirley was not in the Hall, but Fred accepted, with thanks.

Moderator Burling then announced that there were papers in the chairs, and the Cornish Library would appreciate the citizens filling out the questionnaire and returning it to the Library.

Scott Kearns stood and publicly thanked Dwight and Ruth Wood for donating land to the Town of Cornish - on some of which land the Fire Department is going to put up a new building to house fire truck, have offices for the fire chief and the Police Chief, plus a kitchen. Everyone clapped their appreciation of this generous gift from the Woods.

Following a short break in the proceedings, Moderator Burling announced he was going to take up Article 4 before Article 3.

Article 4: Harold Morse moved that the Town raise and appropriate up to the sum of \$35,000., which together with the trade-in value of the present Allis Chalmers loader, will be used to purchase a new loader with attachments, such sum to be raised by \$16,000. being withdrawn from the Revenue Sharing Fund, under provisions of the State and Local Fiscal Assistance Act of 1972 as amended by the Second Session of the 9th Congress; \$4,000. to be taken out of the new Highway Equipment Capital Reserve Fund; and the remainder of \$15,000. to be raised by taxes. This was seconded by Michael Yatsevitch. Harold furnished information as to estimated prices from various manufacturers on loaders of the required size. There was further discussion the the use of Capital Reserve Funds, with Charles Aiken speaking on the folly of using these funds before we had had time to get any interest from them, or to let them build up for a few years; comments also from Prue Dennis, Nate Cass, Bob Bayliss and others. An amendment motion was made by Charles Aiken and seconded by Michael Yatsevitch V, to raise \$19,000. by taxes and not to touch the Capital Reserve Fund, but take the \$16,000. from the Revenue Sharing Fund to make up the \$35,000.; there was a standing vote: Yes - 53, No - 74. This was a vote in the negative.

Then Prue Dennis moved to amend the original motion to take \$11,000. out of the Capital Reserve Fund; \$16,000. from Revenue Sharing; and up to \$8,000. (which would be lowered by trade-in of old loader) to be raised by taxes. Ellen Ballard supported this amendment. It was also voted on by standing vote: Yes -72; No - 52. It was a vote in the affirmative. Then the main motion, as amended, was voted on, in the affirmative.

Article 3: Susan Chandler moved, Ruth Rollins seconded, that the Town raise and appropriate \$146,642. for Class V Highways and Bridges maintenance, \$99,604. to be raised by taxes and \$47,038. to be received from the State as Block Grant Highway money to be spent on special maintenance projects for Class V Highways and Bridges. A lengthy discussion followed, with comments by Bob Bayliss, Ellen Ballard, Stan Colby, Jack Rock, Jim Neil, Jim Lukash, etc. It was finally brought to a vote, and motion was passed in the affirmative.

Article 5: A motion was made by Bruce Tracy, seconded by Chuck Raymond, to raise and appropriate the sum of \$5,705.00 for the purchase of a new Hopper-Sander. A few comments and questions, with answers, and the motion was brought to a standing vote: Yes - 91; No - 41. It was a vote in the affirmative.

Article 6: Ruth Rollins moved, Myron Kuhre seconded, that the Town exclude from the plan service in any class or classes of positions of election officials or election workers for a calendar year in which the remuneration paid for service is less than \$100.00. This was voted in the affirmative.

Article 7: Larry Dingee moved, Ginny Wood seconded, that Cornish raise and appropriate \$3,878.75 to assure ambulance service for the people of Cornish. This was passed in favor by vote.

Article 8: David Wood moved, Ellen Ballard supported, that we raise and appropriate the sum of \$1,083.00 for the Town's dues in the Upper Valley-Lake Sunapee Council. After a discussion, and comments made by Cheston Newbold, it was decided not to vote on this motion until Article 9 had been taken up.

Article 9: Cheston Newbold stood and moved to amend Article 9 thus: that Cornish accept the provisions of RSA 149:M1 to 149:M20 providing for the establishment of a regional refuse disposal district, together with the towns of Piermont, Thetford, Norwich, Hartford, Hanover, Lyme, Canaan, Orange, Enfield, Grafton, Grantham and Springfield, and the city of Lebanon, and the construction, maintenance, and operation of a regional refuse disposal facility by said district in accordance with the provisions of a proposed agreement filed with the Selectmen. Louis Haas supported this, and spoke of the different options his committee has worked on all year. All the Vermont towns have already voted to stay in the NH-Vt Solid Waste District. Ellen Ballard asked to hear from the Selectmen and Alternate Solid Waste Committee. Peter Defoe gave a report for the Article Six '83 Committee. Cheston Newbold spoke for the Selectmen, including in his comments that there were still a lot of uncertainties. However, the Selectmen recommended that we do join up with the Upper Valley-Lake Sunapee Council so that we may join their Solid Waste District—that we can belong to both districts until the final figures are in, and then stay in the one which benefits Cornish. They also recommended not joining the City of Lebanon Landfill in 1984, but to stay in the City of Claremont Landfill system for 1984.

Sally Wellborn and William Gallagher both gave their studies with regard to this article. There were a number of others making comments and asking questions. There was some discussion as to whether we should vote on Article 9 as one article, or whether each of the components —a, b, c, and d, should be voted on separately. It was finally decided by the Moderator that each should be voted on, separately. Article 9(a) as amended, to read accepting the provisions of RSA 149:M1 to 149:M20, was voted on in the affirmative. Article 9(b) as to whether the Town should withdraw from the Sullivan County Regional Refuse Disposal District was voted on, in the negative. Article 9(c) to raise and appropriate a sum of money to enable Cornish to use the City of Lebanon Landfill was voted on, in the negative. Article 9(d) to raise and appropriate the sum of \$7,000. to make the 1984 Cornish Landfill Service payment to the City of Claremont, as moved and supported by Larry Dingee and Dale Rook, was voted on in the affirmative.

Article 8: The Moderator returned to this article, and Polly Rand this time moved to raise and appropriate \$1,083.00 for the Town's dues in the Upper-Valley-Lake Sunapee Council, and David Monette seconded it. It was a vote in the affirmative.

Article 10: John Dryfhout moved, Chuck Raymond seconded, that Cornish call upon the Governor and Executive Council, its State Representatives and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in the electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in Cornish, and to direct the Selectmen to promptly notify our above listed elected officials of this desire. This motion was discussed by several: Ruth Rollins spoke against this article, Jill Edson spoke against, Bill Gallagher spoke in favor of it, Bill Overman spoke against, etc. Upon a vote by the Town, the motion was voted in the negative.

Article 11: Clara Weld moved, Jim Lukash seconded, that we raise and appropriate \$2,500. for Community Youth Advocates, Inc. in order to assure continued service and counseling for the young people of the community. This was voted on in the affirmative, after Wells Chandler stood to answer a question and explained what the CYA accomplishes.

Article 12: Meloney Burch moved, Leo Maslan seconded, that the Town open the Blacksmith Shop Bridge for vehicular traffic. Jim Lukash and Caroline Storrs both spoke up against this motion. Leo Maslan spoke in favor. Ehrhardt Frost spoke against the article. Virginia Colby spoke against —that the Historical Society had worked to get the bridge repaired for historical purposes and as a tourist attraction, not to be used for vehicular traffic. The motion was finally brought to a standing vote: Yes - 40: No - 64. It was a vote in the negative.

Article 13: Myron Kuhre moved, Merilynn Chilton seconded, to authorized the Selectment to make application for and to accept and expend on behalf of the Town, any and all grants or other funds for general town purposes, including but not limited to disaster relief or CETA, in excess of the money appropriated by the Town which may now or hereafter be forth coming from the United States Government or from the State of New Hampshire. This was voted on, in the affirmative.

Article 14: David Monette moved, Joe Osgood seconded, that we authorize the Selectmen to accept and expend, on behalf of the Town, any and all gifts or other funds received from miscellaneous sources, as the Selectman shall determine to be advisable, and this was voted in favor.

Article 15: Judy and Dale Rook moved and seconded that we authorize the Selectmen to sell or otherwise administer property acquired by Tax deed. This was voted in the affirmative.

Article 16: Jean Burling moved, Charles Aiken supported, that we authorize the Selectmen to borrow money in anticipation of taxes. This motion was voted on, in the affirmative.

Article 17: Roth Rollins moved, Jean Burling seconded, that we accept the reports of Officers, Agents, Auditors and Committees as printed in the Town Report. This was voted in favor.

Article 18: Polly Monette moved and it was duly supported, to elect the same Fence Viewers as we had last year: Fred Sullivan, Edwin Lawrence, Robert Hilliard, Katherine Kibbie and Caroline Storrs. This was voted in favor.

Polly Monette again moved, Myron Kuhre seconded, that we elect as Surveyors of Wood, Bark and Lumber: Jesse Stone, Fred Weld, Leo Maslan, William Monette, Robin Waterman, Orville Fitch, James Neil, and Ehrhardt Frost. This was a vote in the affirmative.

The Moderator asked for the election of Hog Reeves: The following were elected: Gary and Merilynn Chilton, Michael and Robin Monette, Mike and Joan Yatsevitch, Henry Homeyer and Barbara Yunger, and Leo and Kathleen Maslan. This election was approved by vote.

Pat Youden made the suggestion that Town Meeting start at 10:00 a.m. so it could get through earlier. A comment was made that taking off half a day was bad enough on a paycheck.

Louis Haas moved, Matt Tinker supported, the following resolution: Be it resolved that the 1984 Town Meeting of the Town of Cornish, NH strongly urges that the State of New Hampshire take over the full cost of the special education needs of handicapped children, thus distributing the cost fairly and equally over all cities and towns. This resolution was voted unanimously in the affirmative.

At 7:15 p.m. the business portion of the Annual Cornish Town Meeting was adjourned by vote.

Following supper, all votes were counted and tallied, the Moderator making announcement of the results: unused ballots were boxed, signed, and sealed; used ballots were boxed, signed and sealed; Annual Meeting was voted adjourned at 9:30 p.m.

Respectfully submitted,
Bernice F. Johnson, Town Clerk

SPECIAL CORNISH, NH, TOWN MEETING ON SOLID WASTE

September 08, 1984

Moderator Peter H. Burling called the meeting to order at 9:30 A.M., with the Salute to the Flag and a moment of silent prayer.

Moderator Burling explained how the meeting would be conducted, and he read the printed ballot, explaining why it was thus worded —that the wording was set by the legislature.

Article 1: Shall the Town of Cornish revoke its acceptance of the provisions of Sec. 1 to 10 inclusive of Chap. 53-B of Revised Statutes Annotated and withdraw from the Sullivan County Regional Refuse Disposal District as provided under the terms of said agreement? Mr. Burling then read a printed statement by the Selectmen, this to be entered into the Town records —as follows:

“After much discussion and review of the facts available to it, the Board voted 2 to 1 not to make any recommendation as to what action the Town should take on article one. The reason that the Board arrived at this decision is that it felt there were too many uncertainties in the available alternatives. Here are the ones the Board felt were of the most importance.

“Uncertainties of the NH/VT Solid Waste District

1. problem of being tied to contract for 20 years
2. the Districts are liable for entire unpaid debt
3. the Districts must guarantee 58,400 tons and/or pay on that tonnage
4. disposition of unacceptable waste is uncertain
5. question of delivery of trash by individuals is uncertain
6. effectiveness of ability to control air pollution
7. if plant fails, uncertainty as to alternative solid waste disposal site
8. uncertainty as to implementation of recycling

“Uncertainties of Upper Valley Solid Waste District *(U.V.S.W.D.) and the Lebanon Landfill:

U.V.S.W.D:

1. uncertainty as to the solid waste disposal plan of the district
2. uncertainty as to financing of the solid waste plan
3. would member towns be locked into disposal plan once financing of the plan is complete
4. uncertainty as to the costs of legal, engineering, financial, and environmental studies in connection with the District's plan and how these costs will be distributed to the member communities

City of Lebanon Landfill

1. contract guaranteed for only one year
2. lifetime of present landfill is questionable
3. present and future landfill costs are uncertain
4. uncertainty as to pollution by present landfill, costs of correcting pollution, and uncertainty as to whether Lebanon is acting to correct or adequately monitor present pollution.”

William Gallagher thanked the Selectmen for the great deal of time spent on this subject. They attended many meetings, made a lot of contacts, and were successful in that this week the City of Lebanon voted to let Cornish use the Lebanon Landfill for one year.

Louis Haas, Sullivan County Regional Refuse District representative, read his report on the District's many months of study and meetings.

Michael Newbold asked how much we had spent so far on the Claremont Solid Waste Proposal. Chris Probst asked how Cornish's Solid Waste tonnage was determined. Sally Wellborn asked questions, which Louis Haas answered. Shubael Butterfield made comments and thought we should stay in and remain members of the project. Stanley Colby commented that he and Virginia have been to a number of places where incinerators have been installed and working for 20 years, and there is **no** smell.

Bob Ballard asked to hear from Ted Seigler, who said it had been reported correctly —no smell, and what comes out is not acid, but alkaline. Nancy Wightman asked that if the Town reduced the tonnage to 300 tons, what happens to the cost? Ted replied that people can recycle, but it is not profitable to keep combustible trash from being incinerated. Jim Lukash raised the question of contamination of the Connecticut River by the Lebanon Landfill depositing the trash near the river.

Sally Wellborn said there'd be acid gases coming out of the incinerator. In Europe, she'd read, the emission of 1,000 incinerators was killing the trees. Ted Seigler answered all her comments —the Black Forest trees are affected by cars and the other industries in Europe which give off more acid gas than incinerators. He explained how Claremont will regulate the amount of pollution emission.

Fred Sullivan and Doug Miller asked questions; Ted answered them. Louis Haas answered Chris Probst's questions. Then Bill Overman read a report of the Finance Committee's studies, as follows:

"The Finance Committee, after meeting with representatives of the Sullivan County District of the NH/VT Solid Waste Disposal Project and the Upper Valley Solid Waste District, feels that its role is to suggest points to consider before the vote taking on this issue.

"We seem to be dealing with a grey area, rather than with a black and white choice. There is uncertainty in both projects. The choice of the townspeople has to reflect which of these alternatives is the **least uncertain**; which alternative will function the most effectively; which alternative will best handle the problem of Cornish's waste for the longest period of time.

"We tried to confine ourselves to the finances of the choices (although, at times, this was hard to do!). From a financial aspect, it appears that the Sullivan County proposal is financially solvent. The subsidiary of Clark-Kenith seems to be saying "we are going to do what we say and to prove it, we are backing our contract up with a \$4 million dollar bond."

"There is a definite contract, a definite proposal with financial safeguards and a definite formula for determining Cornish's share of the costs.

“The Lebanon landfill had no contract that we could examine as one has yet to be negotiated. The Upper Valley District has no plan that we could review, as it is a new organization.”

Bob Ballard had charts which he explained as he showed them to the audience, and urged us to vote **No**. Mary Boyle asked where the incinerator would be located in Claremont, and Ted answered on Grissom Lane. He said ash is alkaline substance and easy to handle —can be used for road beds.

John Dryhout asked why wouldn't Grantham go to Lebanon Landfill. Ted answered. Billy Monette asked how much ash would be produced daily —a box full or a dumptruck full? Ted said, a lot more than a box full. William Gallagher spoke at length and said the Town's recycling effort received \$20. a ton for newspapers just recently.

Moderator Burling brought the question to a vote, by paper ballot: result of tallying: Yes 71, No 70. It was declared a vote in the affirmative, by one, to withdraw from the Sullivan County Regional Refuse Disposal District.

Article II: to see what action the Town will take to allow vehicle traffic across the Blacksmith Covered Bridge, subject to gates and bars. (By petition)

To get discussion started, Fred Sullivan moved the article to allow vehicle traffic subject to gates and bars, seconded by Richard Ackerman. Stan Colby asked if the Selectmen have any restrictions on use of the covered bridge. Cheston Newbold amended the motion that the votes of the Town taken in 1983 and 1984 be modified to read “that the Blacksmith Shop Bridge not be used by vehicle traffic except by permission for special cases from the Selectmen;” on the basis of the following resolution:

RESOLVED: “That the votes of the Town at the annual town meetings held in March of 1983 and March of 1984 with respect to the prohibition of allowing vehicles to travel on the Blacksmith Shop Bridge, an historic structure, be modified as follows:

“That the Blacksmith Shop Bridge shall not be used for vehicular traffic except as may from time to time be authorized by special permission of the Board of Selectmen to allow access to properties abutting the Class VI portions of Kenyon Hill Road by the owners or their designated agents. The Selectmen shall issue such special permit only if they find:

- (1) That there is no other reasonably practical access to the property;
- (2) That the applicant's use of the bridge will be limited to use by passenger vehicles having a gross weight of less than six (6) tons;
- (3) That the applicants are responsible and willing to take precautions to avoid damage to the bridge and to abide by reasonable conditions imposed on use by the Selectmen;
- (4) That the proposed use shall not be likely to cause damage to the structure of the bridge.

“The Selectmen are authorized, in the granting of such permit, to impose conditions on the applicant's use, including, but not limited to, (a) time of day and time of year when the bridge may or may not be used, (b) the type of permitted uses, (c) weight limitations, (d) responsibility for erecting and maintaining gates or other forms of barrier to travel by vehicles, (e) responsib-

ility for the payment of costs of repair or damage occasioned by such use or its allocation amongst permittees, and (f) duration of any such permit.

"The Selectmen are authorized to revoke any such permit upon finding, after hearing, that any condition of such permit has been violated.

"Nothing contained in this vote shall be construed to open the Blacksmith Shop Bridge for general vehicular use by the public, and all actions taken by the Selectmen shall be with a view to maintain the Bridge as an historic public structure." Stan Colby seconded this amendment and resolution.

Arthur Bailey objected to this amendment. Fred Weld asked how much Class 6 Highway went on the other side of the bridge. Bob LaClair said that the road extends about 200 to 300 feet beyond the bridge, and he closed the Bridge when he was Road Agent. Discussion on meaning of the word "abandon" as opposed to "closed, subject to gates and bars" followed. Maurice Hodgdon spoke. Jim Lukash spoke against opening the bridge to all kinds of traffic and asked if there was a second right of way to this property? Peter Burling said there is a Class VI road that was used in the 19th century. Burling didn't know if the issue is resolved as to permission of landowners to allow it to be used again as a Class VI road.

Pat Youden asked what was the Town's position on the "right-of-way" from the Town House Road to the Bridge. Michael Yatsevitch said the Town considered it to be a Class VI road from the Town House Road to the bridge. The Town considers the bridge as a restored historic structure belonging to the Town and the road on the other side of the Bridge as a Class VI road, to a point at the end of the Burch's property line. From then on, the road was considered discontinued.

Steve Tracy spoke up against all-purpose use of the bridge. Virginia Colby said the bridge was repaired by a grant of money from historic preservation — nothing more for stipulations.

Martha Davis, Attorney and representing the Burches, said that the amendment was acceptable to them if the condition "that there is no reasonably practical access to the property" was removed. Michael Yatsevitch said that he agreed with Martha —that other access was not important at present and could be taken up in the future when needed.

Cheston Newbold's amendment was amended by him to add: "to forget or delete any other access to land across the bridge". Stan Colby seconded this and added that he knew the Selectmen will be reasonable. It was brought to a vote on the amendment to the amendment, and was voted in the affirmative.

Fred Weld thought it should be open to anyone most of the year. Moderator Burling asked that everyone vote on the main motion, as amended —that vehicle traffic across Blacksmith Shop Bridge be allowed subject to gates and bars, only by permission for special cases from the Selectmen. The vote was in the affirmative.

Bob Ballard moved to adjourn the meeting, and it was seconded by several.

Respectfully submitted,
Bernice F. Johnson
Town Clerk

BUDGET OF THE TOWN OF CORNISH, N. H.
Appropriations and Estimates of Revenue for the Ensuing Year
January 1, 1985 to December 31, 1985

CORNISH FIRE DEPARTMENT

The Cornish Fire Department finished a busy year, with 80 calls. We responded to many requests for aid from people with water problems, during the wet spring season.

Eleven members of the department have completed the state level I Firefighters Certification Course, started in 1983; all passed the tests and are now certified firefighters.

The new station on Town House Road has been completed and given to the Town at a dedication and open house in November. The open house was attended by approximately 400 people.

The Ladies' Auxiliary kindly supplied the appliances and cupboard for the kitchenette; decorating for the meeting room and linoleum for the bathrooms.

Many thanks to all who gave of their time to help build the new fire station.

Respectfully submitted,
Scott Kearns, Chief

1984 ANNUAL REPORT OF THE CORNISH RESCUE SQUAD

The Cornish Rescue Squad has had an active eleventh year of service to Cornish and Plainfield. As always, our primary function is to provide first response emergency medical care for the sick and injured. In addition we have provided first aid and lighting coverage for all structural fires in both towns; as well as stand-by ambulance coverage for the Windsor Fire Department; and first aid coverage for community activities in Cornish and Plainfield.

As volunteers, the time and cost required to maintain our emergency medical skills is increasing which places the squad this year in a position where we are asking both towns to increase the squad's appropriation from \$1500 to \$2000 at the 1985 town meeting.

If anyone is interested in participation as a member of the squad or in helping at fund raising activities, please contact one of us.

We appreciate your continued support.

Respectfully submitted,
John H. Rand
President

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

1984 STATISTICS

	State	District	City/Town
No. of Fires	875	14	1
No. of Acres	335	10.07	.04

CORNISH CONSERVATION COMMISSION REPORT 1984

The Cornish Conservation Commission has been very active in 1984. The purchase of the approximately 77-acre Davidson land was finalized in late March. The Cornish Recreation and Education Area Committee (CREA) was formed to plan and implement the development of the recreation and education land, across from the school, for town use. For more details, please see their separate report.

Fred and Shirley Sullivan of Brokenridge Farm received the 1984 Conservation Award. Two students, Hillary Holmes and Patty Braden, were sent to the Youth Conservation Camp sponsored by the Society for the Protection of New Hampshire Forests. Camp expenses were paid by Blow-Me-Down Snowriders and Cornish Grange #25. We thank these local groups for their generosity and support.

A surprising amount of litter was collected on Green-Up Day, even though participation was low. Aluminum cans were sorted out and recycled this year.

Films and a slide show were shown at the Cornish Fair at a booth manned by the Conservation Commission members. Several Conservation Commission members attended the Annual Meeting of Conservation Commissions in November. Roz Seidel attended the Acid Rain Conference in January.

Groundwater quality is of growing concern in the state and region as a whole. This issue was a primary focus of the Commission in 1984. The Water Resources Action Project (WRAP) is sponsored by the New Hampshire Natural Resources Forum, the New Hampshire Association of Conservation Commissions, and the New Hampshire Municipal Association. Cornish was selected for this project and WRAP representatives have met with Commission members and interested citizens to discuss the groundwater issue. To date, an outline has been developed to aid the Town of Cornish in gathering preliminary information and data on groundwater. This Project to help us protect our water resources will continue in 1985.

As always, we welcome citizen participation at our monthly meetings.

REPORT BY THE CORNISH RECREATION AND EDUCATION AREA (CREA) COMMITTEE

January 30, 1985

The Cornish Recreation And Education Area Committee was formed by the Cornish Conservation Commission at the beginning of 1984. Its purpose is to oversee the development of the property which abuts Town House Rd. and Parsonage Rd. This property encompasses approximately 76 acres, most of which formerly belonged to Anne Davidson.

Committee members are individuals chosen by boards, committees and associations representing various interests in the Town (see below). Expenses for this committee have been provided for in the Conservation Commission's budget. Monies expended for a particular project are raised or donated and set aside to be used specifically for that project.

The Committee is developing plans to meet certain long term goals in the areas of recreation, conservation, education, agriculture and other areas of interest to the Town. Its primary focus this year has been to set the stage for construction of a soccer field, baseball diamond and center for conservation education. Wayne Mc Cutcheon has completed a boundary and physical features survey to be used in extensive and accurate planning. The Committee has also obtained assistance from Leon Geil, Sullivan County Engineer, Tad Redway of the Upper Valley Lake Sunapee Council and Guy Wheelock from the Soil Conservation Service.

The CREA Committee plans to use at least \$10,000 of donated funds to apply for additional matching funds through the NH Department of Resources and Economic Development Land and Water Conservation Fund. Matching funds which would be available at the end of 1985 would be used for the development and maintenance of the recreational aspects of the area. In the meantime, the CREA Committee will be working closely with the Upper Valley Lake Sunapee Council and the Soil Conservation Service to determine which areas would be most suitable for playing fields, and what costs will be involved.

All CREA Committee meetings are open to the public.

Citizen input is welcome.

Respectfully submitted,
Ros Seidel, Secretary

COMMUNITY YOUTH ADVOCATES

1984

For fiscal year 1984 Community Youth Advocates worked with approximately 12 youths from the Town of Cornish, dealing with a variety of problems. Three youths, referred to CYA by the Cornish School, participated in our Court Diversion Program. We are currently actively working with four young people from the Town of Cornish. Clara Weld is a welcomed 1984 addition to our Board of Directors.

We expect to move our agency to 94 Sullivan Street, Claremont, in April of 1985, at which time we will be able to provide the children of this area with a crisis center and emergency shelter in a newly renovated building designed for this agency and leased to us by the City of Claremont.

Our goal is to continue to serve the youth of Sullivan County by dealing with their problems whenever possible within the home and within the community. We thank you for your generous support.

Respectfully,
Leslie R. Clough
Executive Director
Community Youth Advocates, Inc.

COMMUNITY YOUTH ADVOCATES

ANNUAL REPORT FOR 1984

To: Town of Cornish

For fiscal year 1984 Community Youth Advocates has an active case-load in Sullivan County of 148 youths.

Court Appearances	483
Emergency After-Hour Calls	473
Police Referrals	76
Diversions	21
Emergency Placements	51
Job Placements	102
Youths in Danger of Placement	76

For the Town of Cornish, we are currently working with four (4) youths. There were two diversions held at Community Youth Advocates on youths who reside in Cornish.

UPPER VALLEY - LAKE SUNAPEE COUNCIL

The Upper Valley - Lake Sunapee Council is a public, non-profit voluntary association of towns and cities in the Upper Valley and Lake Sunapee areas. Our thirty-one (31) communities are in two states and five counties.

The Council consists of a Board of Directors and a professional staff. Each town or city annually appropriates funds for the Council's operation and sends two representatives to participate on the Board of Directors. The Board elects officers, adopts the annual work program and budget, and develops policies and positions on issues that are important to UV-LSC communities.

The Upper Valley - Lake Sunapee Council is the official organization that brings towns and cities within our region together. By bonding together and pooling their resources, local governments have highly trained, professional staff available to them for a wide variety of services. Areas of expertise include land use planning, master planning, economic and community development, water quality management, transportation, landscape architecture, housing, capital budgeting, historic preservation, downtown revitalization, solid waste planning, recreation and fiscal and environmental impact analysis. The Council also serves as a collective voice for these towns and cities in dealings with state and federal governments, thereby protecting and furthering the needs and interests of our communities.

The Council has continued to expand its staff capabilities over the past year. Staff members include Robert Varney, Executive Director; Vicki Smith, Senior Planner; Lisa Mausolf, Historic Preservation Specialist; Gregg Lantos, Transportation Planner; Tad Redway, Landscape Architect and Planner; Melinda Artman, Community Development Coordinator; John Olmstead, Housing Rehabilitation Specialist; Susan Elder, Economic Development Specialist; Lee Ann Scully, Assistant Planner; Jim Klinger, Draftsman; and Barbara Belloir, Jeanne Riley and Lori Brown, Secretaries. These staff members have greatly expanded the level and range of expertise available to our communities.

The Council has been busy working on a variety of regional programs during the past year. The following is a brief summary of some of our regional activities:

- o provided administrative and planning services to the Upper Valley Solid Waste District, a bi-state district with 15 member communities;
- o developed regional septage management plans which will become components of the solid waste plans for the Sullivan County, Upper Valley and Pemi-Baker Solid Waste Districts.
- o prepared a regional transportation development plan and participated on regional transportation advisory committees (Lebanon Regional Airport, Advance Transit);
- o continued the regional historic program, including historic surveys, national register nominations and historic preservation plans;
- o established the Sullivan County Economic Development Program to retain and expand employment opportunities in Sullivan County;
- o Completed phase one of the Lake Sunapee Management Plan, including survey of all properties around the lake;

- o co-sponsored a succesful Household Hazardous Waste Collection Day, groundwater protection seminar and Municipal Law Lecture Series;
- o provided economic, population, housing and other data to communities, organizations, banks, real estate firms and consultants for use in fiscal studies, market analysis and grant applications.

As requested by communities, the Council prepared applications for state and federal funds, evaluated development proposals, prepared amendments to local zoning, subdivision, site plan review and other local regulations and provided mapping, drafting and other planning assistance.

The UVLSC has provided anumber of specific services to the Town of Cornish over the past year. With the Town's recent decision to join the Upper Valley Solid Waste District, the Council has been working with the Town to formulate a comprehensive strategy that addresses the problem of solid waste disposal. An analysis of septage disposal issues in Cornish has been completed by the Council. Other Town projects the council has been directly involved in are:

- o providing technical assistance to the Master Plan Committee;
- o a survey of historic buildings and the cultural landscape along Route 12-A in preparation for the area's nomination to the National Register of Historic Places.
- o providing technical assistance in the master planning and development of Davidson Park.

The Council's staff of professionals stands ready to assist your community in addressing the planning and growth management issues which you will face during the coming year. We also encourage you to become more familiar and involved with the Council, since we are essentially an arm of local government addressing your needs.

OVERSEER OF THE POOR 1984

Town of Cornish:

1984 was a relatively quite year with most Cornish people meeting and solving their own financial problems without help from the Town.

We anticipate an increase in State mandated costs to the Town in 1985 and the Welfare budget is increased accordingly for this year.

I wish to thank many of you, specifically the Selectmen, for your help in administration of the department.

Sincerely,
Peter C. Storrs
Overseer of the Poor

CORNISH PLANNING BOARD 1984

The Planning Board met regularly on the third Thursday of each month with the exception of Cornish Fair week and then on August 9. The December meeting was cancelled since the meeting place was not available.

Compared to 1983 there was an increase in activity. Four major Sub Divisions were granted, three minor Sub Divisions, two Sub Division Annexations, and one Non Residential Site Plan Review. For the record they are listed below:

Major Sub Divisions

1. Robert and Maria Jaarsma
2. Wayne Simino
3. Bridget Szyman for Despina Szyman Estate
4. Meehan and Kelleher

Sub Division and Annexation

1. Michael Yatsevitch
2. Hannah Schad

Minor Sub Divisions

1. Orville B. and Carol Fitch
Orville B. II, James C.
and Martha
2. Frederick Granger
3. Donald and Joyce Stearns

Non Residential Site Plan Review

1. Hannabel Realty

The Town Master Plan is in the process of being updated. Several public meetings have already been held, committees formed, responsibilities assigned, and an opinion survey put together for mailing in early 1985. Douglas Storrs, a professional planner, and a host of interested citizens are assisting with the project. If all goes well, the Master Plan will begin to take form by midyear and be ready for public review.

By way of background, ten years have elapsed since the original plan was produced. It formed the basis for both Zoning and Sub Division Regulations. The updated Master Plan will be used to determine the direction of development in Cornish. It will be a valuable tool for all town officials, elected as well as appointed committees, and to the general public.

The cooperation of the Selectmen, Planning and Zoning Boards, the conservation Commission, the Upper Valley-Lake Sunapee Council, and concerned citizens is something of which Cornish can justly be proud.

Respectfully submitted,

Elizabeth Macy, Chairman

SULLIVAN COUNTY REGIONAL REFUSE DISPOSAL DISTRICT 1984 ANNUAL REPORT OF ACTIVITIES

After experiencing a number of setbacks early in the year which created delays and significant changes from previous plans, the District, together with the Southern Windsor/Windham Counties Solid Waste Management District and Clark-Kenith, is now approaching a bond sale and subsequent construction of a waste-to-energy facility.

During January Keene decided not to join the Sullivan County District and a Federal Urban Development Action Grant application was turned down. At a Joint Meeting with the Southern Windsor/Windham Counties District in February the District Committee decided to request a new proposal from Clark-Kenith and a competitive proposal from Vicon Recovery Systems for a smaller facility more closely matching the quantity of waste available from existing District towns.

The decision to request new proposals gave the Districts time to investigate other sites in Claremont that would be more acceptable to the residents of Claremont. The Claremont City Council agreed to support a site located in an area zoned for industry in southwest Claremont, east of the Joy Foundry. Revisions to the environmental impact assessment were subsequently made, with the City splitting the costs of the assessment and other site investigations with the Districts.

Clark-Kenith and Vicon Recovery Systems submitted bid construction costs and operating proposals to the Districts during May. Differences in projected disposal costs were less than two dollars per ton. Clark-Kenith remained the preferred vendor because of their technology and financial strength, and the uncertainties associated with beginning negotiations with Vicon.

On September 19, 1984 the District signed a long-term 20 year waste disposal agreement with Clark-Kenith for the financing, construction and operation of a 200 ton per day facility. An option to purchase 51 acres of land at the new location was also signed during September.

Lazard Freres and Company, investment bankers for Clark-Kenith, are now in the final stages of preparing a 28 million dollar industrial revenue bond sale through the New Hampshire Industrial Development Authority. Prior to closing on the bonds an equity commitment agreement must be signed which will provide for the sale of the facility to a private investor at the end of construction. The sale, together with the expected retirement of certain contingency funds and bond reserve funds will leave approximately 16 million dollars in outstanding bonds which must be retired during the 20 year operating period.

The present schedule calls for finalizing an agreement with Signal RESCO, the expected equity owner, by March, 1985. Construction will begin immediately thereafter, with operation expected early in 1987.

Respectfully Submitted,
Susan C. Laskoske, Secretary

CORNISH HISTORICAL SOCIETY

This year the society received many, many gifts, far to numerous to list here. All of them are important to Cornish's history.

To mention just a few: A collection of old books dating from the early 1800's with several being printed in Windsor.

A pair of portraits of Dr. Samuel (1804 - 1879) and Mrs. Hardy (Hardy Salve Co.), along with old correspondence.

The naturalist, Ernest Harold Baynes (1868 - 1925) collection, consisting of glass lantern slides and original projector, photographs and a file drawer of clippings (he wrote a syndicated newspaper column for many years) and correspondence. This is very important reference material. We hope soon to have a program using the slides and projector.

We also received the portrait of David Hall Hilliard (1795 - 1877) painted by Asahel Lynde Powers in 1833. This painting was exhibited during the July 1976 Bicentennial show "Cornish, New Hampshire the First Hundred Years 1763 -1863" which was held at the Saint-Gaudens National Historic Site.

We are very grateful to our many donors and appreciate their generosity. We are particularly interested in receiving gifts pertaining to Cornish people such as diaries, postcards, books by Cornish authors or about Cornish, etc.

There was a girls school in Cornish called Miss Seton's School which probably existed about 1820 - 1840. Does anyone have any information on this school?

Our society welcomes new members who share our interests.

Virginia Colby
President

UPPER VALLEY SOLID WASTE MANAGEMENT DISTRICT REPORT

At our special Town Meeting on September 8, the people of Cornish voted to withdraw from the Sullivan County Regional Refuse Disposal District and to join the Upper Valley Solid Waste Management District. The NH Waste Bureau has not yet acted upon our selectmen's request for this transfer.

The Upper Valley District committee continues their work on our behalf to develop a 15-year solid waste management plan. The deadline for completion of this state mandated plan is September 1985, and our town's share of the cost of completing the plan is \$255.06.

It is expected that the City of Lebanon will construct a modern, lined landfill and recycling facility that Cornish residents can use in the near future. Tipping fees are estimated at half those now proposed for the incinerator facility in Claremont. In my opinion, our membership in the Upper Valley district confers upon Cornish at least four important advantages: price, reliability, use of state-of-the-art recycling technologies and incentive to produce less trash.

It is my pleasure to report that the Upper Valley district co-sponsored a very successful household hazardous waste pickup on November 3; a second will be held the first weekend in May. This was the first opportunity for NH or VT residents to safely dispose of such materials.

Respectfully submitted,
William E. Gallagher, delegate
Douglas Miller, alternate

THE CORNISH MEETINGHOUSE

1984

The Cornish Meetinghouse continued to offer a place of meeting for many organizations in the town of Cornish. The Cornish Republican Club met several times during the 1984 year as well as an aerobics program offered by several townspeople. The Historical Society met and will be utilizing the Historical Room for display of donated gifts. The Boy Scouts and Memorial Day ceremony again used the Meetinghouse for activities.

The Meetinghouse Trustees plan to install a ramp for the handicapped so that all persons in town may have access to the building.

1984 CORNISH FAIR REPORT

In 1984 we had a three-day fair which proved to be very successful. This year's theme, "New Hampshire Naturally" was submitted by Kim Joyce.

The Cornish Fair Queen for 1984 was Leslie Milton from Newport. She was sponsored by the Newport Lion's Club. The Prince and Princess were Jeffrey Lord and Allison Eastman.

A new addition to the fair this year was the Junior Woodman's Field Day held on Thursday afternoon. This was a success and will be a permanent part of the fair.

For the second year we had a fine showing of antique tractors by the NH Tractor Club. The Cast in Brass Club from Dublin, NH showed several tractors too.

The Cornish Teamsters Taxi was used by many from the parking lots to the fairgrounds. We hope to have them again next year.

In the late fall we enlarged the ball field on the east side.

We would like to thank our supporters and friends for our success, because without them we could not survive.

Jesse Stone
President

1984 REPORT SUPERVISORS OF THE CHECKLIST

The past year twelve public meetings were held for the purpose of making additions and corrections to the checklist. Extra hours of typing, filing, posting and mailing notices of upcoming meetings were necessary for several different reasons.

A stringent campaign to get approval for a Public Kindergarten found many residents registering to vote prior to the Annual Cornish School District Meeting.

A Special Town Meeting concerning the town's involvement in the Sullivan County Regional Refuse Disposal District and a heavy drive to encourage voter registration prior to the fall elections were also among those reasons.

Other 1984 meetings included the Presidential Primary, Town Meeting, State Primary and the State General Election, totaling six.

In an effort to keep abreast of legislation enacted and the current requirements of the Board of Supervisors a meeting held at the State House was attended.

Registered voters numbered 915 at the Nov. 6th General Election, with 395 registered Republicans and 311 registered Democrats.

The large number of property transfers throughout the town are a large factor in the increased activity of the board annually. Names added numbered 170 from January through December with numerous other changes such as change of party, change of name and removal of names.

Ruth G. Rollins, Chairman
Leland E. Atwood
Myron A. Kuhre

REPORT OF WHEELS AROUND WINDSOR

Wheels Around Windsor is a social service agency located on Main St., known more popularly to the community as Stoughton House. The agency is a multi-service program which is designed to meet the different needs of senior members of our community. The category of needs include housing, health supervision, transportation, advocacy, meals and recreation. These services are made available in the following way:

Housing:

Stoughton House is licensed by the Vermont Dept. of Health to provide housing and supervised medical care to a possible forty residents.

The Council on Aging contracts with W.A.W. to provide the following services to any senior member of the area.

Meals

Nutritious meals are served daily in the Stoughton House dining rooms to every senior without regard to income. The W.A.W. kitchen also prepared nearly 6,000 meals which were delivered by our drivers and volunteers to home bound seniors throughout the Windsor County. For the fiscal year of 1984 an approximate total number of meals served was 59,800, with a near 100% donation participation from our meal guests.

Transportation

Our "Wheels" car is known well to the community. Providing almost 9,000 trips, our drivers have made it possible for area seniors to have transportation available for medical appointments, visits to the Sr. Center, social and shopping trips.

Advocacy

W.A.W. is assistance with income maintenance and social services. Our Senior Advocate provides information, referrals, assistance with paper-work for all kinds of programs and insurance, counseling, legal aid services, tax assistance and many other issues. She is also involved with fuel assistance and the surplus food distribution program.

Recreation

The Windsor Area Senior Center is located at Stoughton House. Ceramics, craft activity programs, ice cream socials, flea markets, birthday parties, blood pressure checks, flu clinics, educational programs, movies, church services and trips are many of the activities sponsored by the Center. A monthly newsletter is sent to more than 750 homes to notify as many area seniors as possible of a busy Senior Center.

Wheels Around Windsor is proud to be such a busy hub of activities in a community who supports us so generously with volunteer time from many individuals. The very generous support which comes from all of the surrounding towns helps to make our many services so widely used.

The annual report is an opportunity for us to publicly thank all of our nearby towns people for their vote of endorsement and support of services to the elderly.

1984 ANNUAL REPORT OF THE WINDSOR REGIONAL VISITING NURSE ASSOCIATION

The WRVNA is a non-profit agency offering skilled nursing care to the ill and/or elderly residents of Windsor and West Windsor, Vermont and Cornish, New Hampshire. Working under physician referral and guided by a Medical Advisory Committee, the staff coordinate care with other health and human service providers to insure the greatest possible benefit to clients.

In 1984, nursing visits for Windsor numbered 2,181, for West Windsor 232, for Cornish 182, totaling 2,595. This represents an increase of 2.1% from the previous year. Attendance at our 22 free blood pressure and "flu" clinics totaled 1,004.

On December 13, 1984 after a year of preparation and planning, the Windsor Regional Visiting Nurse Association became a Subdivision of Mt. Ascutney Hospital and Health Care Center, to be known now as the Windsor Regional Home Health Agency. The philosophy and commitment to care for our residents remains the same but the reorganization makes reimbursement by third party payers (such as Medicare, Medicaid and insurance companies) available. Close coordination of a wide range of services will benefit the client without duplicating effort and expense.

We still need to depend on town support for care to clients who don't meet government criteria for funding and we take this opportunity to thank our citizens for their loyal support through the years.

Respectfully submitted,
Patricia Harford, R.N.

REPORT OF THE CORNISH PURCHASING COMMITTEE

The Cornish Purchasing Committee was set up at last year's Town Meeting to look into the fate of the Capital Reserve Funds. We concentrated on that this past year. After meeting six or eight times, this Committee came up with the following suggestions:

To adopt a 20-year replacement program for all departments, to keep the Capital Reserve program and by doing so, increase the Highway Department Fund to \$15,000, keeping the Fire Department at \$10,000 and the Police Department at \$2,000 at this time. We came up with a replacement schedule for the Highway Department equipment, and recommend the Town look at replacing the Mack Dump truck this year.

Our second job is to look into the future of our Town buildings. We will try to get to that this year.

Larry Dingee, Chairman
Robin Monette
John Rand
Shirley Sullivan
Nate Cass
David Monette (for selectmen)
Wilbur Overman
(for Finance Committee)

THE BRIDGE COMMITTEE 1984

Having submitted a report and recommendation during 1984, the following bridges were reviewed or repaired by the road agent, Harold Morse: The Marsh bridge on Center Road was replaced, the side rails were replaced at the Mercer bridge on Platt Road and work is expected to continue into next year, the Blacksmith Shop bridge and the Clark Camp bridge were completed and final grading was done at the Dingleton Hill bridge. During the upcoming year, the road agent is expecting to paint steel structure of many of the bridges.

Stephen P. Tracy
Michael Yatsevitch

RESOURCE RECOVERY COMMITTEE

With year 1984 closed, the Cornish Recycling Center has kept 23½ tons out of landfill and back into circulation.

INCOME	Bottle Glass, 19,320 lbs.	\$ 96.60
	Steel, 7,083 lbs.	41.53
	Aluminum	
	Beverage cans, 166 lbs	46.48
	Scrap Aluminum, 87 lbs.	8.70
	Newspaper, 20,560 lbs	205.60
		<hr/>
		\$398.91
EXPENSES	Dumpster Experiment	\$329.06
	Trucking, Equipment, Magazine subscription	64.52
		<hr/>
		\$393.58

The committee expects to join the bottle glass marketing program provided by the New Hampshire Resource Recovery Association. This is an association of NH municipalities, businesses, and individuals involved in both waste-to-energy and materials recovery. It is assisted by the state Department of Energy.

Our thanks to all those who have helped to make recycling work.

Resource Recovery Committee

Members: Revilo and Nancy Wightman, Susan Van Rensselaer, Pat Burke, Bill Gallagher, Doug and Betty Miller, Sharon Feeney.

RECREATION COMMITTEE REPORT 1984

The Recreation Committee again offered a summer day camp which took place during July at the Cornish Fair Grounds. The program which included games, arts and crafts, nature walks, sports, cooking and field trips served approximately thirty children. The cost of the program was \$10.00 per week. The committee plans on offering the day camp again this summer.

The Committee is also assisting in plans for the land purchased across from the school. Paul Queneau is the Recreation Committee's representative on the CREA committee.

Respectfully submitted,
Tim Luce,
Chairman

THE FINANCE COMMITTEE

The Finance Committee sees itself as an Advisory committee. It functions as an intermediary between the public and the school board and between the public and selectmen. Its general aim is to review the school budget and the town budget. The members comment upon them, ask questions, ask for figures to justify expenditures, make suggestions and make recommendations. We try to make our recommendations early enough so that our input is reflected in the final copies of the budgets.

We recognize that our suggestions are not binding, but we hope that the selectmen and the school board see us as a helpful and worthwhile partner in the budgetary process.

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment met the second Thursday of every month as business demanded. The Board approved two variances, approved six special exceptions for single family dwellings, approved one home occupation, and denied one home occupation. The Board is taking an active part in the planning and preparation of the Master Plan which is presently being worked upon.

HEALTH DEPARTMENT

The primary responsibility of the Health Department is to assure that all local and state health regulations are followed within the town of Cornish. The Health Officer and Selectmen comprise the "Board of Health" for the town.

Several cases were brought to the Board's attention in 1984. All are in the process of being resolved.

GINNY WOOD
Health Officer

AUDITOR'S REPORT 1984

We, the undersigned auditors for the Town of Cornish, NH hereby certify that we have examined the accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Trustee of Trust Funds, Library Trustees, Revenue Sharing Funds and Meeting House, and have found them to be correctly cast and properly vouched, to the best of our ability.

REPORT OF THE CORNISH SCHOOL BOARD

The 1984-85 school year started out with a new principal, Margaret Regan, coming to us highly recommended from the position of Supervising Principal in the Monadnock Regional School District.

Peter Hutchins, who so ably administered our school in the past few years has taken the position of Assistant Superintendent in our School Administrative Unit No. 6, and in that capacity continues to work closely with the Board and the Cornish School District.

Enrollment in the Kindergarten has increased, now that it has become part of the public school system.

The Board has kept in touch with legislation and legislators in connection with school matters in general, and particularly with the financial aspects of special education, and is watching closely the state's new financial plan for the redistribution of state funds for education on a state-wide basis to help with education costs of the local districts.

The Board has set up a schedule of aims and definite objectives to guide them.

A particularly interesting project at the school this year is the "Odyssey of the Mind". Participation in this is open to the whole student body and should become a stimulating intellectual and creative experience.

The Board again this year wishes to thank all those who have helped us maintain and improve our school.

Michael M. Yatsevitch
Jill M. Edson
Richard Ackerman
Joan N. Baillargeon
Ellen A. Ballard
—Cornish School Board

REPORT OF ASSISTANT SUPERINTENDENT

TO THE RESIDENTS OF CORNISH:

This year has been one of change in the leadership in the Cornish School District, with a new Superintendent of Schools, Assistant Superintendent of Schools, and Principal of the Cornish Elementary School. Richard Waldo has assumed the responsibilities of Superintendent after serving as Assistant for approximately 20 years. Ms. Margaret Regan, former Principal in the Monadnock District, is the new Principal of the elementary school. We all wish both of these people congratulations and look forward to their service and dedication to our school system.

As instructed by the voters at last year's meeting, the Cornish Board has implemented a public Kindergarten for the first time. We were fortunate to hire a fine teacher, Karen Walsh to teach this class. This class had done very well and is a pleasant addition to the school.

The staff remained intact with only a replacement for Caroline Storrs who is on maternity leave. Miss Carla Belcher, a graduate of Wheelock College has replaced Mrs. Storrs in the Resource Room. We welcome her to Cornish.

The Board has continued to revise policies, scrutinize the budget and participate fully in all the SAU activities. They deserve to be commended for the interest, enthusiasm, and vigor in which they accept their positions.

As I have stated in the past, it is the community of Cornish, the townspeople, parents, teachers, board members, and all other employees who work so effectively to solve the educational problems as they arise and to provide the children of Cornish a quality education. My thanks and appreciation to all of you who serve the children in such a manner.

Peter F. Hutchins
Assistant Superintendent

PRINCIPALS REPORT

TO THE RESIDENTS OF CORNISH:

This past year has been one of continued growth and improvement at Cornish School. Public Kindergarten became a reality and there were a few staff changes.

The school community continues to focus on providing a well-balanced, quality education for the children of Cornish. Joining forces with parents and interested community members, we are exploring available resources to expand and enrich the children's learning experiences.

As we work within the guidelines of mandated programs and the budget, staff dedication, creativity, enthusiasm and initiative blend well to help make ours a strong and successful school. Encouraged by assistance from parents and the community, we will continue to challenge the children to excel.

During the past few months I have been most impressed with the interest shown in school activities by the residents of Cornish. I urge you to visit the school and continue your support and involvement.

Margaret F. Regan
Principal

SCHOOL WARRANT

CORNISH SCHOOL DISTRICT

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of the Town of Cornish in the said County of Sullivan in the said State qualified to vote in District affairs.

You are hereby notified to meet in the Town Hall in said District on the 9th of March, 1985 at 10 o'clock in the forenoon to act upon the articles set forth in this Warrant.

The business session of the School District meeting will commence at 1 o'clock in the afternoon, at which time all the remaining articles will be acted upon.

ARTICLE 1 To choose a Moderator, Clerk, Treasurer, and Auditor for the ensuing year, and two members of the School Board for a term of three years.

ARTICLE 2 To hear reports of Committees, Agents, Auditors, or Officers heretofore chosen, and to pass any vote relating thereto.

ARTICLE 3 To see what sum of money the District will raise and appropriate for the support of the schools and salaries of School District officials, agents and employees, for the payment of the District's obligations, and to authorize the application against said appropriation of such sums as are estimated to be received from the the State equalization fund, together with other income, the School Board to certify to the Selectmen the balance between the estimated revenues and the appropriation, which balance is to be raised by taxes by the Town.

ARTICLE 4 To see if the District will raise and approve the sum of \$1,600 for the repair and sealing of the driveway at the Cornish Elementary School.

ARTICLE 5 To see if the District will vote to authorize the School Board to make application for and to accept and expend, on behalf of the District, any and all grants or other funds for educational purposes which may now or hereafter become forthcoming from the United States Government or from the State of New Hampshire.

ARTICLE 6 To see if the District will vote to authorize the School Board to transfer monies from the Capital Reserve Fund for the removal of asbestos and the necessary reinsulation of piping in the Cornish Elementary School.

ARTICLE 7 To see if the District will vote to authorize the School Board to accept and expend, on behalf of the District, any and all gifts or other funds received from miscellaneous sources as the Board shall determine to be advisable.

ARTICLE 8 To choose Agents and Committes in relation to any subject embraced in this Warrant.

ARTICLE 9 To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AND SEALS at said Cornish, this 18th day of February, 1985.

MICHAEL M. YATSEVITCH
JOAN BAILLARGEON
ELLEN A. BALLARD
RICHARD ACKERMAN
JILL M. EDSON
Cornish School Board Members

CORNISH SCHOOL DISTRICT ANNUAL MEETING

March 10, 1984

The annual meeting of the School District of the Town of Cornish, NH, was held on March 10, 1984, at the Town Hall. Moderator Peter Burling swore in Leland Atwood, Myron Kuhre, and Ruth Rollins as Supervisors of the Checklist. He also swore in Frances Ackerman, Sheila Jackson, and Lorraine Lawrence as Ballot Inspectors.

The Moderator opened the meeting at 10:00 a.m. After declaring a quorum present, he opened the polls and read the Warrant. He then swore in Merilyn Chilton as Assistant Moderator.

The business meeting was opened at 1:00 p.m. with the Pledge of Allegiance to the Flag and a moment of silence. The Moderator asked that a part of this moment of silence be dedicated to the memory of Livia Alexion, a resident and teacher who passed away on March 5.

The Moderator then explained that he had read the Warrant when he opened the polls and that Article 1 was voted on by paper ballot.

Article 1.

Moderator - Peter H. Burling was elected for the ensuing year with 137 votes.

School Board - Richard B. Ackerman was elected to a three-year term with 129 votes. Jill M. Edson was elected to a three-year term with 117 votes.

Treasurer - Lorraine Lawrence was elected for a one-year term with 137 votes.

School District Clerk - Kathryn Patterson received 136 votes and was elected to a one-year term.

Auditors - Robert Maslan was elected for a one-year term with 132 votes.

Myron Kuhre was elected to a one-year term with 15 write-in votes.

Article 2.

Ellen Ballard moved that we accept the reports of the Committees, Agents, Auditors or Officers as printed in the Town Report. Karlyn Probst seconded. There were no questions or comments, and the motion passed on a unanimous voice vote.

Article 3.

Joan Baillargeon moved that the District raise and appropriate the sum of \$659,040 for the support of the schools and the salaries of School District officials, agents, and employees, for the payment of the District's obligations, and to authorized the application against said appropriation of such sums as are estimated to be received from the State equalization fund, together with other income, the School Board to certify to the Selectmen the balance between the estimated revenues and the appropriation, which balance is to be raised by taxes by the Town. Michael Yatsevitch seconded.

There followed a line-by-line discussion of the budget with items such as teachers' salaries, health insurance, staff development, athletic salaries, procurement services, contracted services, transportation expenses, high school tuition,

and special education costs receiving attention. There were questions and comments and explanations by Shubael Butterfield, Richard Ackerman, Ellen Ballard, Sam Hibbard, Dan Poor, Fred Sullivan, Kay Kibbie, Bob LaClair, Peter Hutchins, Maurice Hodgdon, Yvette Birch, Polly Rand, Leonard Barker, Chris Probst, Ruth Rollins, Lewis Gage, Sue Chandler, Jim Lukash, Duane Allen, Sandi Powers, Bernard Brasseur, Selma Lovejoy, Charles Aiken, William Fitts, Ed Lawrence, Connie Dean, George Aldrich, Barbara LeMere, and Pat Youden.

After a request for a paper ballot by William Monette that was backed by a show of at least eight hands, the motion was voted on by paper ballot and checklist. The results were 149 "Yes" votes and 49 "No" votes. The motion was passed.

As he did last year, Louis Haas moved the adoption of a resolution that the voters of the 1984 meeting of the School District of the Town of Cornish, NH, strongly urge that the State of New Hampshire take over the full cost of the special education needs of handicapped children, thus distributing the cost fairly and equally over all the cities and towns. He also asked that the Moderator select a committee of at least three members to promote this concept. Dan Poor seconded the motion. It passed on a unanimous voice vote.

Copies of the resolution are to be sent to Town Representatives to the Legislature and to Senator Wiggins. Lindy Maderia volunteered to present copies at Tuesday's Town Meeting for interested people to sign.

Article 4.

The motion was made by Helen Lovell and seconded by Richard Ackerman to authorize the School Board to make application for and to accept and expend, on behalf of the District, any and all grants or other funds for educational purposes which may now or hereafter become forthcoming from the United States Government or from the State of New Hampshire. It was so voted on a unanimous voice vote.

Article 5.

A motion made by Fred Weld and seconded by William Monette to pass over this article was defeated by a voice vote.

Chris Probst then moved that we raise and appropriate the sum of \$8,500 to establish and fund a public kindergarten in the Cornish Elementary School. Bernard Brasseur seconded the motion.

Chris Probst then gave a breakdown of the requested funds and the reasons for the request. Michael Yatsevitch explained that this appropriation would increase the tax rate by 33¢ for each \$1,000 of valuation.

After comments and questions by more than 35 people, the motion was voted on by paper ballot and checklist. It was declared a vote in the affirmative with 133 "Yes" votes and 64 "No" votes.

Article 6.

Jill Edson made the motion, seconded by Karly Probst, that the District vote to authorize the School Board to accept and expend, on behalf of the District, any and all gifts or other funds received from miscellaneous sources as the Board shall determine to be advisable.

Sharon Feeney asked if there had been any gifts. There had not. The motion was passed by a unanimous voice vote.

Article 7.

No motions were made. The Moderator formed the Ad Hoc Committee asked for in Article 3 with the following members: Audrey Dingee, Louis Haas, Lindy Maderia, Polly Monette, and Nancy Newbold.

Article 8.

No motions were made. Jill Edson expressed thanks to Richard Waldo for his service as Assistant Superintendent to the District and to the School Board. In a unanimous vote of thanks he received a standing ovation from the community members present.

Fred Sullivan thanked the School Board for the work they have done.

Sharon Feeney expressed thanks for the microphone which made it easier to hear the School Board members.

The Moderator closed the business meeting at 5:15 p.m.

At 7:00 p.m. the polls were closed, the ballots counted, and the winners announced. Moderator Peter Burling swore in Leland Atwood, Myron Kuhre, and Ruth Rollins as Ballot Counters. Officials sworn in for the coming year were Moderator Peter Burling, Treasurer Lorraine Lawrence, School District Clerk Kathryn Patterson, and Auditor Myron Kuhre.

Respectfully submitted,
Kathryn Patterson, Clerk

PTO REPORT

The Cornish PTO has concluded another successful year in our continued support of the school and community. The active participation of parents and teachers in the School Calendar Drive, the Bingo concession, school pictures, and the Cornish Fair Corn Booth has been very helpful and encouraging.

The proceeds from these events help support the Computer Program, Athletic Program, school library, skiing, and an expanded Cultural Arts Program. The PTO has also sponsored Curriculum Night, a Halloween party and dance, Science Fair, and Meet Your School Board Candidates and Budget Night.

The annual Current Events Quiz was fought hard by all participants but was again won by the students. We can be very proud of their efforts.

On behalf of the Cornish PTO I would like to thank the entire community for their interest and involvement.

CHRISTOPHER PROBST
PTO President

HOT LUNCH PROGRAM

During the 1983 - 84 school year the Cornish School Hot Lunch Program served 20,896 lunches, an average of 117 per day.

On behalf of the students, parents, and staff of Cornish School, I wish to express our sincerest thanks to Frances Akerman who is serving her 27th year, and Norma Garcia who is in her 13th year. Their dedication and service to the children of Cornish School continues to be present. Their contribution to our school is invaluable.

I wish to express our gratitude for those who continue to support the Lunch Program through food donations. We look forward to continuing to provide the students of Cornish School with a nutritious and delicious lunch.

TIM LUCE
Hot Lunch Director

SCHOOL NURSE REPORT

TO THE CITIZENS OF CORNISH:

During the 1983-84 school year all students were weighed and measured for height and the results were recorded on their permanent records. I checked all students for pediculosis periodically through the school year. The incidence of infection was very low.

The children were all screened for vision and hearing. Of the one hundred seventy-four children tested for hearing, thirty-seven were retested and five referred for further evaluation. One hundred and seventy-four students were checked for vision and two were rechecked and four were referred for further evaluation.

Of the students in the first grade, all had completed their required immunizations and had their physical exams prior to entering school.

Of the twenty-two Kindergarten children this fall, eighteen had their medical records up to date.

With the help of a grant from the New Hampshire Heart Fund we conducted a blood pressure screening program of all students. Dr. Blair talked to all the students as did Mrs. Probst and discussed proper diet and exercise as well as information on blood pressure. We were able to purchase six blood pressure cuffs and 3 stethoscopes for the school and I instructed the students how to use this equipment and they would practice on each other. I also talked to the sixth grade class about blood pressure.

In October we started a dry brushing of the teeth every day after lunch and a fluoride rinse once a week. This program is presented to us from the State Bureau of Dental Health and they send two or three hygienist to the school to check the teeth, do some education and then instruct the students how to brush and rinse their teeth. I mix the fluoride each week and dispense to each of the ninety-six students who are participating in this program.

I offered guidance and instruction in the area of personal health and hygiene to some of the students.

A very strong effort has been made to get all the students health records up to date and of one hundred ninety-five students only seventeen records still need proper dates or another immunization shot.

I have enjoyed this year at Cornish very much.

Joyce Gogan
School Nurse

REPORT OF SCHOOL DISTRICT TREASURER

For the
Fiscal Year July 1, 1983 to June 30, 1984

AUDITOR'S REPORT

We have examined the financial statements of the Food Service and Federal Projects Funds of the Cornish School District as of and for the years ended June 30, 1983 and June 30, 1984, as listed in the accompanying table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements referred to above present fairly the financial position of the Food Service and Federal Projects Funds of the Cornish School District at June 30, 1983 and June 30, 1984, and the results of its operations for the years then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the financial statements. The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements of the Food Service and Federal Projects Funds of the Cornish School District. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion is stated fairly in all material respects in relation to the combined financial statements taken as a whole.

A. Bruce Carri, CPA

CORNISH HONOR SOCIETY

September 18, 1983 eight of last year's Honor Students were taken on a tour of Blue Mountain Animal Preserve, where they saw many wild hogs, deer, a blue heron, wild ducks, and a herd of elk. A large group of young students were taken to Thompson Arena in Hanover to listen and to see the famous "Black Watch".

The ten students becoming Cornish Honor Society members were: Kim Joyce, Kristin Jackson, Rika Poor, all from last year's group; new members were Russ Amison, Krista Fellows, Kellie Patterson, Becky Decatur, Missy Longacre, Rebekah Fuss, and Mary Whiteley.

In December the Society attended Christmas Revels at Hopkins Center. On February 16th there was an Audubon Show of Yosemite National Park. At their March meeting the speaker was Peter Burling. In April the Society took a trip to Boston and toured Boston College. Also that month the group went to K.U.A. where they attended classes, toured the facility and had lunch. In May they had a tour and attended classes at St. Paul's School in Concord.

The big trip of the school year was a trip to Plymouth Plantation, then by ferry from Huyannis to Nantucket Island. The second day bicycles were rented, and with the help of Dan Poor, they had a scavenger hunt over the Island, identifying historic sites, items, and people and finished the day with a swim. Early on the third day they all took a bike ride to another beach for swimming and ferried back to the mainland.

Two former Society Members did an interview with Grace and James Fitch and made a video film. It is planned to get similar interviews with other Senior Citizens of Cornish.
